

ARDEA

WATERFRONT HOMES

AT HOME BY THE WATER.

Welcome to River District. A once forgotten stretch of industrial land that's been transformed into an active new community on the banks of the Fraser. Wesgroup's vision from the very beginning was to create a true neighbourhood that serves the people who live here. From a charming Town Centre bustling with activity, to 25 acres of scenic green space to connect with nature. For over five decades, Wesgroup has been creating places for people to call home. Places to live, explore, participate, and experience. We invite you to get to know us.

DESIGN INSPIRED BY HISTORY.

The decades old industrial history of this location provides much of the inspiration behind the four buildings that comprise Ardea. With dark façades and varying heights, the architecture is bold, but undeniably timeless. Lush plantings and greenery weave throughout the buildings, seamlessly flowing into the new Kinross Park and the shoreline of the Fraser River.

WATER. COMMUNITY. HOME.

DESIGNED FOR A WATERFRONT LIFE.

Inspiration for interiors was drawn from the clean and simple exteriors, and the nature of Ardea's surroundings. Appeal to your unique style by selecting from a Classic or Contemporary design scheme — each exudes warmth and comfort with natural tones and textures. Functionality plays a major role in every home, with an emphasis on storage and flow. Details matter, from kitchens to bathrooms. Matte black fixtures, bespoke cabinetry hardware, integrated Bosch appliances, and a built-in bathroom niche stand out for their practicality and sophisticated look. There is a heightened sense of livability, whether you are working from home, enjoying a quiet weekend, or cooking dinner for friends.

Be struck by culinary inspiration in kitchens influenced by craftsmanship and style.

Ardea's waterfront and parkside homes are truly deserving of the highest end features at River District to date.

Gently ease into your day in a bathroom designed for complete relaxation.

WE BUILD MORE THAN SKYLINES.

What began as a local family business over 60 years ago has grown into one of Western Canada's most trusted companies. While we've built more than 7,000 homes in 100 communities and manage over 3 million square feet of commercial space, it's our reputation for fair play and adding value to people's lives that makes us most proud.
